

## Six Words

what six words do you use  
to announce yourself to the world do you hyphenate abbreviate  
hesitate lie embellish the obvious hide the same think of little poems  
personal ad cardboard panhandler sign each a poem  
bigger than a bread box  
smaller than haiku Readers' Digest version of you  
hard thought deliberately penned Certs asks  
what's the coolest thing your mouth can do  
I wanna know make the words stand up on the back of my neck  
Certs asks what's the coolest thing your mouth can do  
if you only have words Certs says type it with your tongue  
if you only have words even a smile helps  
if you only have words do you lie guilt only 8 inches or  
l o n g e r  
need apply does god bless turn off more dollars than it  
is homeless vet the best bet  
is well hung and handsome what makes them give a shit a call  
a quarter what makes them lean close to drop the change act now  
pity drop a few coins there but for pick up the phone power  
of words for the price of a cup of coffee holocaust fat-free  
on sale HIV eviscerating words making you taste Certs is 50  
concentrated mints split themselves open if you only have words  
choose your words carefully cuz they can get you fed  
get you off get you heard  
get you hard get you
